Poiana Braşov is tailored to the outdoors lovers and it has activities that suit any fitness level, in any season. Whatever you decide to do, skiing or cycling, hiking or just walking around in the woods, all are great fitness options. Jakob Sonne completes the picture with more facilities that include wellness programs, indoor and outdoor swimming pools, sauna, steam bath, massage and relaxation rooms.

Easy to reach in maximum 20 min by car from Braşov. However, an epic 20 min driving.

THE CONCEPT

DESIGNED AROUND THE SUN

**Architect Franz Janz of Hoffmann-Janz

Jakob Sonne's architectural concept.**

HOTEL
AND PRIVATE RESIDENCES

We seek the perfect balance between ages of experience and architectural innovation in all natural and non-invasive presence.

The generous panoramic views of the mountains as well as the forest are the bonus offered by mother nature. And the lake nearby, Miorita, adds to this perfect landscape. All is peaceful and safe as we respect the nature. And the nature protects our space like a shield.
